

Finally... let's watch the whole film!

- Remember the work that we were doing last week based on a short film?
- Last week we listened to the sound clip, we watched the trailer, and now it is time to watch the short film!
- You can watch it on our home learning page.

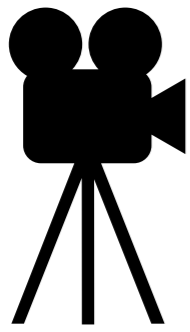

Task: C and S Questions

On the next slide are questions based upon the 3 Cs and 3Ss – Camera, character, colour, setting, story and sound.

Watch the whole film and have a go at answering the questions. You can answer them in your Home Learning book.

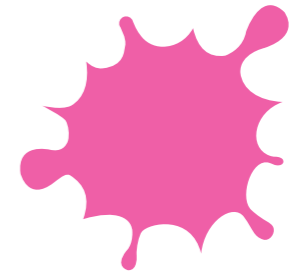

Camera

Give one example of a **long shot**,
a **medium shot**
and a **close up** shot.

Character

What do the main characters look like?
How do they speak and what do they say?
How do they behave towards other characters?

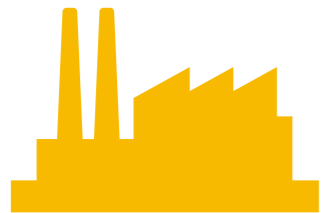

Colour

What colours do you see?
Are any colours associated with particular characters?
What mood do you think the colours create?

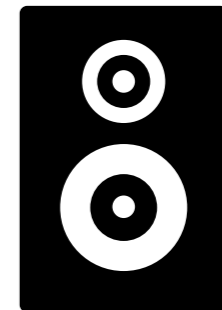

Story

What are the most important things (events) that happen in the story?
Who or what is the story about?
What might happen next, after the end of the story?

Setting

Where does the action take place?
How often (when) does the setting affect the characters and the way they behave?
Could the same story have happened in a different place?

Sound

List the different sounds that you can hear.
Can you hear any sound effects?

When do you hear the music/sounds change?
What is happening on screen when the sounds change?

Do any of the characters 'speak'? What do they sound like?
