

Watch the clip

- Note down anything you notice about the clip
 - The characters
 - The storyline
 - The setting
 - Anything else

Odd one out?

- Watch the clip again, each time you spot something on the grid, tick it off (or write it down if you don't have the grid printed out).
- You can watch the clip as many times as you want, which items on the grid are NOT in the clip? These are the odd ones out!

airship	shadow	rope	sword
boxes	goggles	headscarf	map
clouds	telescope	toolkit	flying turtle
flying elephants	propellers	compass	bag
