We have just been given approval by the council to create our very own ELSA room to provide a calm and soothing space for the children who need it.

The stone work at Cross street has been repaired and set back to its glorious best.

We have also just completed our fencing project around the school field making us more safe and secure.

Year 3 and 4 will be leading our Harvest Service on Thursday 12th October year 3 and 4 parents are welcome to join us.
