

Using the letter you have just read, answer these comprehension questions into your Home Learning books.

1. Find another word that means scary.
2. What two adjectives are used to describe the alien?
3. Why might the robot find the alien frustrating?
4. How do you think the alien might feel when the spaceship flies away? Why?
5. 'I think you should persevere.' What do the words *persevere* mean in the sentence?
6. How could the alien help the robot to get his spaceship back?
7. Predict what you think might happen next in the film. Why do you think this? Consider what you already know.
