Harvest

The children will be taking part in a Harvest Festival Celebration over at Church on Monday 4th October. Unfortunately, we are unable to accommodate family and friends on this occasion so the performance will be recorded and made available for parents to view later that week.

We are now taking donations of foodstuffs (see the Wish List below) at both sites to donate to the John Storer House Food Bank.

St Peter and St Paul's Church will be holding their own Harvest Service at 10:30am on Sunday 3rd October – all are invited.

HARVEST WISH LIST

- Tinned Meat, fish or veg
- Breakfast Cereals
- Tinned Soup
- UHT Milk
- Bottled Cordial
- Tea/Coffee
- Jars of pasta sauce/curry sauce
- Washing detergent and other cleaning products
- Toiletries

Secondary School Applications: REMINDER

The closing date for applications for a place at secondary school in Autumn 2022 is 31st October 2021.

This is for parents of pupils who are currently in Year 6.

Parents are encouraged to apply online at: <https://bit.ly/3CH7jn1>

School Meal Selections

Many thanks to parents of Foundation, Year 1 and 2 children for continuing to return the school meal selectors promptly. However, could I ask that you ensure you choose meals together as a family as we are getting more and more children wishing to change their food choices on the day or stating that they don't like the choice which has been made for them. Obviously we are keen to ensure the children choose meals that they like in order that they get to eat and enjoy a decent meal each day and we waste as little food as possible.

Parent Evening Consultations

Our Autumn Term Parents Evening will take place across four evenings in the week beginning 11th October. We are planning face-to-face meetings but bookings will be made online (as in the Spring Term 2021). This gives parents greater choice in selecting appointment times which suit them best. Bookings will go live next week when you should receive an email with booking information for your child(ren).

The poster features a green background with illustrations of various gardening items: a red wheelbarrow, a brown plant pot, a blue watering can, a green trowel and spade, a yellow apron, and a packet of seeds. A curved arrow points from the text 'Help us get FREE gardening equipment for our school' towards the 'It's Good to Grow' logo. At the bottom left, there is a QR code and text encouraging the download of the MyMorrisons app to collect Grow Tokens.

Fundraising

You can help us to get free gardening equipment for school by collecting Grow Tokens through the Morrisons 'It's good to grow' scheme. If you shop at Morrisons, download the MyMorrisons app and link up with us. In this way you can donate virtual tokens every time you shop. These tokens are then exchanged for seeds, trowels, spades and other gardening equipment suitable for our children.

Please share this with family and friends and help us collect as many as we possibly can!
